SUMMARY

Back-End Developer | Skilled in Back-End Technologies ---My expertise includes--- • C++ • .NET • C# • MySQL I am an agriculture student at Al-Azhar University, actively transitioning into a career in software development. I have developed a strong technical foundation through hands-on experience with both back-end and front-end technologies. I am passionate about leveraging technology to solve complex problems and drive innovation. My goal is to contribute to a dynamic team where I can continue to expand my skills, tackle challenging projects, and deliver impactful solutions. I am highly motivated, eager to learn, and committed to making a meaningful contribution in the software development field.

EXPERIENCE

Student   10/2021 - Present
Al-Azhar University

EDUCATION

Agricultural Engineering   2025
Al-Azhar University - Bachelor's degree

CERTIFICATES

certificate of completion for Programming Foundations - Level 1

certificate of completion for Algorithms & Problem-Solving Level 2

certificate of completion for Algorithms & Problem-Solving Level 1 Solutions

certificate of completion for Introduction to Programming Using C ++ Level 2

certificate of completion for Algorithms & Problem-Solving Level 1

SKILLS

Object-Oriented Programming (OOP)

Programming Foundations C++

LANGUAGES

English	Fluent	Arabic	Native
